File No. 001-37668

Dear Beatriz Garc a-Cos:

We have reviewed your filing and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to these comments within ten business days by providing the requested information or advise us as soon as possible when you will respond. If you do not believe our comments apply to your facts and circumstances, please tell us why in your response.

After reviewing your response to these comments, we may have additional comments.

Form 20-F for the Fiscal Year Ended December 31, 2022

General

1. We note that you provided more expansive disclosure in your 2021 Global ESG report than you provided in your SEC filings. Please advise us what consideration you gave to providing the same type of climate-related disclosure in your SEC filings as you provided in your 2021 Global ESG report.
Key Information, page 5

2. To the extent material, discuss the indirect consequences of climate-related regulation or business trends, such as the following:

decreased demand for goods or products that produce significant greenhouse gas emissions or are related to carbon-based energy sources;

increased demand for goods that result in lower emissions than competing products;

increased competition to develop innovative new products that result in lower

emissions;
increased demand for generation and transmission of energy from alternative energy sources; and

any anticipated reputational risks resulting from operations or products that produce material greenhouse gas emissions.

3. If material, discuss the physical effects of climate change on your operations and results.

This disclosure may include the following:
severity of weather, such as floods, hurricanes, sea levels, arability of farmland, extreme fires, and water availability and quality;

quantification of material weather-related damages to your property or operations;
potential for indirect weather-related impacts that have affected or may affect your major customers or suppliers; and
any weather-related impacts on the cost or availability of insurance.

Your response should include quantitative information for each of the periods for which financial statements are presented in your Form 20-F and explain whether changes are expected in future periods.

4. If material, provide disclosure about your purchase or sale of carbon credits or offsets and any material effects on your business, financial condition, and results of operations. To the extent applicable, ensure you provide quantitative information with your response for each of the periods for which financial statements are presented in your Form 20-F and for any future periods.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.

Please contact Michael Purcell at 202-551-5351 or Karina Dorin at 202-551-3763 with any other questions.
