- Press-release dated July 2, 2020 announcing the appointment of Craig Arnold as Chief Commercial Officer.
Ferroglobe Appoints Craig Arnold as Chief Commercial Officer

LONDON, July 2, 2020 (GLOBE NEWSWIRE) -- Ferroglobe PLC (NASDAQ:GSM) (“Ferroglobe” or the “Company”), a leading producer of silicon metal, silicon-based alloys and manganese-based specialty alloys, is pleased to announce that it has appointed Craig Arnold as Chief Commercial Officer, effective immediately. Mr. Arnold succeeds Jeff Watson, who chose to step down from his position to pursue other interests while being closer to his family in the United States.

Mr. Arnold brings over two decades of international expertise as a senior professional at Dow Chemical, where he was responsible for successfully developing and growing a diverse group of businesses internationally. His experience includes effective implementation of varying commercial strategies in launching new commodity businesses, rehabilitating ailing ones, and maximizing profitability.

Since joining Dow in 1997, Mr. Arnold has held a number of senior leadership roles globally. Most recently, he served as President of Dow Sub-Saharan Africa where he was responsible for developing Dow’s growth strategy for the region. Prior to that, Craig was Commercial Vice President for Europe, Middle East, Africa and India for Dow Industrial Solutions, where he was responsible for providing strategic direction, marketing and regional business performance of a portfolio of products, leveraged across multiple markets, to enable the business to perform better, faster and cleaner.

Ferroglobe’s Chief Executive Officer Marco Levi commented, “We are pleased to welcome Craig to our senior management team. His track record of implementing sales and marketing strategies at both global and regional levels, particularly across a number of businesses which share attributes similar to Ferroglobe’s product portfolio, coupled with his general business acumen, will be instrumental in the turnaround of our company. Craig joins us at a critical time and will play an important role in the execution of the commercial excellence plan that is under development. On behalf of our board and management, we wish Craig all the best in his new role.”
